

Utility Data Release

By signing below, you are hereby authorizing the utility providers listed below to release billing history, utility consumption history, and other data associated with the below listed account numbers. This data will be viewed by St. Louis County SAVES™ and its partners solely for the purposes of technical and credit evaluation as pertaining to financing supported by St. Louis County SAVES™. By signing below, you are authorizing St. Louis County SAVES™ to access data up to 3 years prior to the date of this form.

Further, if a loan is issued through St. Louis County SAVES™ for energy efficiency and/or renewable energy upgrades on the property associated with the listed utility accounts, you are authorizing St. Louis County SAVES™ to access the same data going forward for the full term of the loan.
